Dear

Request Under Freedom of Information Act 2000

Thank you for requesting information under the Freedom of Information Act 2000.

Request

Good evening, this is an email to the following NHS trust in regard to the MDDA, as you are a trust which is part of making this apprenticeship scheme i would like to ask whether your trust will be delivering this scheme for September 2024.

- delivering this scheme for 2024 or in later years?
- whether you will be part of the pilot scheme for 2024, and if so, are you going to be releasing application details in March?
- Finally, do you have a booklet regarding entry requirements and selection criteria and other course details, if so could you provide this information for me? This information would be very much appreciated.
