- c. Is the management of bookings of these properties (by staff) outsourced to a 3rd party?
- d. If the management of these properties is done inhouse, by the Trust, what software (if any) is used to manage these bookings?
- e. Please may I have the name and email address of the manager of this NHS Staff Accommodation service

Response

The Trust does not own the accommodation but Summit our PFI partner does as part of the Trust's PFI contract. Trust staff have access to this, and bookings are made via Mitie who are the PFI FM contractor.

Dudley Group NHS Foundation Trust operates a Private Finance Initiative (PFI) Contract. The hospital buildings are not owned by the Trust but by Summit Healthcare (Dudley) Ltd who the Trust has the PFI contract with. The contract allows the Trust to use the buildings to provide its clinical services. Summit Healthcare (Dudley) Ltd are responsible for providing all of the estates and facility management services to ensure the buildings are always available for use.
