Dear

Request Under Freedom of Information Act 2000

Thank you for requesting information under the Freedom of Information Act 2000.

Request

I'd like to request the management structure for the Estates and Facilities department, to include contact names, job titles, email addresses and contact numbers.

Response

The Trust only has a small Estates Team due to the Private Finance Initiative (PFI) Contract. The Director with the overall responsibility for this area is the Chief Finance Officer, Chris Walker chris.walker1@nhs.net

The hospital buildings are not owned by the Trust but by Summit Healthcare (Dudley) Ltd who the Trust has the PFI contract with. The contract allows the Trust to use the buildings to provide its clinical services.

Summit Healthcare (Dudley) Ltd and their service provider partner Mitie are responsible for providing the estates and facility management services to ensure the buildings are always available for use.

To see further details on our PFI Partners please go to the Trust website [Private Finance Initiative partners - The Dudley Group NHS Foundation Trust](#)

There are sections on left hand of the page you can click on to see more information about both.

If you are dissatisfied with our response, you have the right to appeal in line with guidance from the Information Commissioner. In the first instance you may contact the Information Governance Manager of the Trust.
