**Questions 1 – 3**

This information is available on the Trust website [Meet the team - Midlands Orthopaedic Centre](#)

**Questions 4 - 6**

The information you have requested is available within the individual staff members personnel records and for that reason, the Trust considers the information is exempt from disclosure under section 40(2) of the FOI Act on the grounds that it amounts to personal data and the first condition under section 40(3)(a)(i) is satisfied, namely, that disclosure would amount to a breach of the first data protection principle (personal data should be processed fairly and lawfully) as the individuals concerned would have a reasonable expectation that their information would not be disclosed into the public domain.

If you are dissatisfied with our response, you have the right to appeal in line with guidance from the Information Commissioner. In the first instance you may contact the Information Governance Manager of the Trust.
