Dear

Request Under Freedom of Information Act 2000

Thank you for requesting information under the Freedom of Information Act 2000.

Request

I'm writing to request some information under the Freedom of Information Act 2000 regarding the vehicles currently in use by Dudley Group NHS Foundation Trust. For each vehicle, please provide the following information:

Make and model
Body colour
Date of first registration with the DVLA

Date of the next MOT (where applicable - I am aware that vehicles under three years old are exempt from MOT testing)

I would also be grateful if you could confirm whether the Trust itself holds the V5C registration documents for these vehicles, or whether these are retained by a leasing company or another third party.

The information requested relates only to basic vehicle details and statutory roadworthiness requirements. It does not include registration marks or any personal data, and should therefore be straightforward to disclose.

Response
