Dear

Request Under Freedom of Information Act 2000

Thank you for requesting information under the Freedom of Information Act 2000, please see response below.

Please can you provide me with the following information:

1) Is the Trust already using the FDP? - **The Trust is not currently using FDP and there is currently no roll out date planned.**

If the Trust isn't already using the FDP can you please provide me with a specific rollout date?
- **See Q1 above**

2) It has been widely reported that there have been hidden and unbudgeted for costs to implementing the FDP at local and national levels. What is the projected and locally budgeted for cost of the rollout and implementation of the FDP that hasn't already been provided for by NHSE national funding from the initial FDP contract? This might include, but is not limited to, extra training costs, staff costs, consultancy workers, hardware, software, licenses, or other IT related costs.
- **See Q1 above**

4) What new jobs or roles have been created within the Trust to enable the implementation, development and running of the FDP? What other internally allocated resources in relation to the roll out and implementation of the FDP are there?
- **See Q1 above**

3) What FDP instances/apps/products are currently in use and what are planning to be roll out out?
- **See Q1 above**

If you are dissatisfied with our response, you have the right to appeal in line with guidance from the Information Commissioner. In the first instance you may contact the Information Governance Manager of the Trust.
