Dear

Request Under Freedom of Information Act 2000

Thank you for requesting information under the Freedom of Information Act 2000.

Request

I am writing to request the below information under the Freedom of Information Act 2000.

The number of young people (18-24 year olds inclusive) receiving mental health treatment- both community and inpatient.

The number of them who have been receiving treatment more than once (not their first time).
I would like the most recent figures you have available, and the same figures from January 2021.

Response

We are unable to provide the information requested as The Dudley Group NHS Foundation Trust is not a Mental Health Trust.

The Trust would treat a patient's acute condition (which could be directly or indirectly linked to a mental health condition) and then the patient would be referred to an appropriate setting.

If you are dissatisfied with our response, you have the right to appeal in line with guidance from the Information Commissioner. In the first instance you may contact the Information Governance Manager of the Trust.
